Dear Parents/Carers

The final GCSE exams are fast approaching and to help your child reach his/her full potential we are offering after school revision sessions run by the Geography department. The sessions will start on Thursday 28th March. They will be held on a Thursday after school from 3.30-4.15 and run until the 16th May.

Please find a schedule of the sessions overleaf. Your child is welcome to come to any of the sessions each week. If you would particularly like your child to attend these sessions please contact me and I can monitor his/her attendance and inform you if he/she is absent. If you would like to discuss the matter further, please contact me or your child's Geography teacher.

Many thanks for your continued support.

Yours sincerely

Ms G Hetmanski
